## CONGRATULATIONS

We are thrilled to announce that our **2nd Grade class** was the first class to have all their gala basket donations turned in! This is an incredible achievement, and we couldn't be prouder of their effort and enthusiasm. As a reward for their diligence, the 2nd grade class will receive a special prize. Let's give them a big round of applause!

We also congratulate our **1st and 4th Grade classes** for achieving 100% participation in turning in their gala basket donations. Your dedication and commitment to our cause are truly commendable, and we applaud each student for their contribution.

Our remaining classes are so close to reaching 100% participation! As a special incentive, every class that has their entire class donations turned in by this Friday, April 5th, will receive a special class surprise ([bit.ly/TLS-GalaBasket](https://bit.ly/TLS-GalaBasket)).

Keep up the great work, everyone. Your efforts are making a significant difference, and we can't wait to see what surprises lie ahead! Thank you for your support and participation!

## PTL ANNOUNCEMENTS

We urgently need volunteers for our Teacher Appreciation Week and especially for our School Carnival, which currently has no volunteers. The carnival can't happen without your help, and we're also seeking five more volunteers for Teacher Appreciation Week. Your participation is crucial. Please consider volunteering to make these events a success. Every bit of help counts. To sign up, please visit <https://flow.page/tls-ptl>. Let's come together for our school!

## WEEKLY DEVOTION

*“For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago.”  
Ephesians 2:10*

Think of yourself as a masterpiece painted by the greatest Artist, where every stroke, every color, and every detail was placed with intention. God created each of us with unique talents, abilities, and personalities. Just like no two fingerprints are the same, each of us brings something special to this world that no one else can. God has equipped us with these gifts so that we can do good works—acts of kindness, words of encouragement, and deeds that reflect His love to those around us.

In our classrooms, on the playground, and in every interaction, we have the opportunity to show others the love of Jesus. Whether it's helping a friend, participating in class, or showing respect to our teachers, each action is a reflection of God's workmanship in us.

Let's challenge ourselves to see each task and interaction as a part of the good works God has prepared for us. When we study, let's study diligently. When we play, let's play kindly, including everyone and showing the joy of the Lord. And in all we do, let's remember that we are representing Christ, the ultimate example of love and goodness.
