

Trinity Lutheran School

Drop Off Procedures

For older students, grades 5-10

Approach 12th Street going eastbound so your vehicle pulls directly alongside the school and church building entrance on the right side of the street. Use the "North Door" entrance. If we are having Walking Club, drop older students on 12th street going eastbound by the yellow star.

For younger students, grades K-4

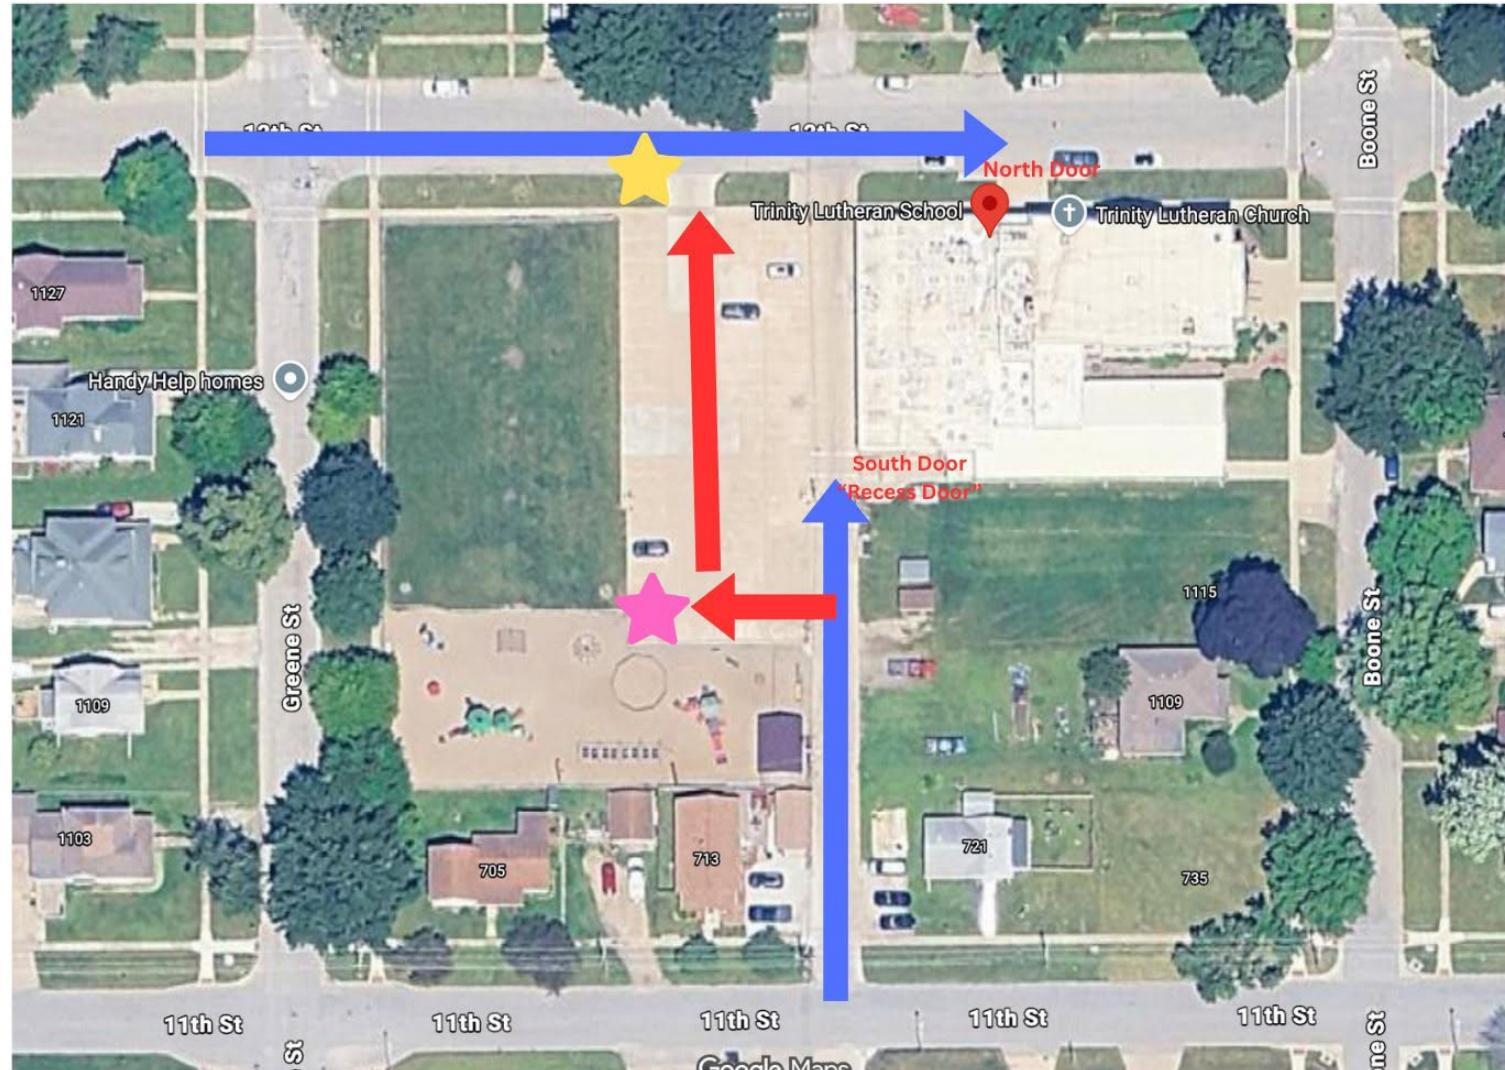

Turn into the alleyway off of 11th street. If we have bad weather, pull up to the "recess door" and students will enter using the "South Door". If we are having Walking Club, use the red route and drop them near the pink star. Then you can exit onto 12th street.

Parking & Walking: If you need to assist a younger child out of the vehicle, park in the dedicated parking spaces in the school parking lot rather than idling in the main drop-off zone.

Helpful Safety Tips

Curbside Unloading: Drop off children strictly on the passenger/curbside to prevent them from stepping into oncoming traffic.

Avoid Crossing Traffic: Avoid arriving westbound on 12th Street to drop off **across the lane**, as children would have to cross active traffic lanes.

Trinity Lutheran School Pick Up Procedures

For older students, grades 5-10

Approach 12th Street going eastbound so your vehicle pulls directly alongside the school and church building entrance on the right side of the street. Students will exit through the “North Door” and wait for you to pull up.

For younger students, grades K-4

Turn into the alleyway off of 11th street. Pull up to the “recess door” and students will be released to get into your vehicle. If you wish to park, please walk up to the “recess door” to collect your child(ren).
