Thank you for lending your voice to praise our Lord! All the dates above can be found under the "Events & News" page on our website or the "Events" tab on the app. I ask that you please RSVP electronically via the event (by the Tuesday before the date) so I know who will and will not be singing. While our choir will always sound better when all our members are present, I do understand that your first obligation is to worship at your home congregation, so if you are a member of a church other than Trinity, please join us whenever it is possible. Thank you!
