***We praise God for the opportunity to share the news of Jesus
Christ through song!***

The K-4th grade choir is scheduled to sing once a month at the Divine Service. Our choir sounds best when all members are present, yet I realize your first obligation is to worship at your home congregation. Those who are members at other churches other than Trinity are invited to join us whenever possible. A note will be sent home each month prior to singing to see who will and will not be attending. Please make sure your child returns the note so I am able to plan accordingly. Thank you!

In the joy of Jesus,
Mrs. Sprengeler
